**PRINCIPAL’S NEWS**

**National Tree Day**

What is National Tree Day? A special day for schools.

Each year, around 200,000 Australian school students participate in a special National Tree Day event designed just for children – **Schools Tree Day**! It’s a wonderful opportunity to get children into nature and instill a love for the great outdoors, as well as teaching them the importance of environmental stewardship and taking care of the planet.

National Tree Day and Schools Tree Day combine to make Australia’s biggest community tree-planting and nature care event. Co-ordinated by Planet Ark and proudly sponsored by Toyota, these special days are for all Australians to help out by planting and caring for native trees and shrubs to improve the environment in which we live. National Tree Day started in 1996 and since then more than 3 million people have planted 21 million seedlings! We had a fantastic day here on Friday planting trees and shrubs around our school grounds. Thank You to all of the families who helped out on the day. We could not have done it without you. I would also like to express my appreciation to Kim at the Frankston Council Nursery, Kimberley at Toyota and Lyn Kallow at Bunnings in Frankston. These ladies donated goods and lots of time and effort. We salute you!

"I had lots of fun on (National Tree) Day and I can’t wait to do it again next year!"
