**Principal’s News**

**Welcome** - to our new students Emma, Andrew and Caiden who have commenced with us this term. We wish them and their family a happy and rewarding time at Kananook Primary School.

**Advance Notice - Prep 2017 Transition** - Kananook school tours will commence shortly for any 2017 students/ families. If you are aware of anyone who would like a personal tour with Mr Block please get them to contact our school to make arrangements. No bookings are required. Enrolment information will be available from the Office.

**NAPLAN** is scheduled for the 10th, 11th and 12th of May for students in Years 3 and 5 with more information to be provided to parents as it becomes available. This term is also one where Semester One reports are prepared and distributed to parents and students. The scheduled date for parent teacher interviews is Monday 20th and Tuesday 21st June. We will be having a parents teacher interview day on Tuesday 21st June. No students will be required at school. Please note the dates of our upcoming events as it is easy to miss something in a busy term. Please ensure also that permission notes and payments, if required, are made by the due date as it really assists with the organisation and smooth running of these events.

**Education Week? Open Night** - On Wednesday 18th May we will be having an open night for families to come and visit Kananook Primary. We will arrange for parents and children to complete fun activities in the classrooms between 6-7 pm. Please come along for a fun night! A sausage sizzle will be available from 5.30 pm and drinks will also be available to purchase.

**Curriculum Day** - Friday June 3rd is a Curriculum Day. Please put this date into your diary. No students will be required at school on this day.

**School Crossings** - Our school crossing supervisors do a terrific job assisting members of the school community to cross our busy streets. Waiting behind the yellow line until the whistle sounds, walking across the crossing and ensuring that preschool children are closely supervised are a few ways to ensure a safe crossing. Remember also that adults are significant role models. Parents using the crossings when flags are displayed is another helpful strategy to promote safe crossings. Thank you for your assistance.

**School Photos** will be taken on Tuesday May 17. Details will be sent home soon. Children are expected to wear a school jumper or jacket for the school photos.

**School Arrival Time**

I have already noticed that some children are arriving at school before 8:30 am each day. This is not acceptable as they are left in the school unsupervised.

**Students must not arrive at school until 8:45 am.** Supervision will be provided from 8:45 am.

The school will not take any responsibility for children who are in the yard unsupervised before 8:45 am. Teachers are not required to be at school until 8:45 am and therefore are not considered on official duty until that time.
