

# Code of Conduct: Child Abuse

**Child abuse is unacceptable. Ensuring children's safety is a top priority for the Victorian Government.**

## **What is child abuse?**

Child abuse includes any act committed against a child involving:

- a sexual offence
- a grooming offence; or
- the infliction on a child of physical violence, serious emotional or psychological harm or serious neglect.

Our aim is to create a culture where protecting children from abuse is part of everyday thinking and practice. To strengthen existing approaches to preventing and responding to child abuse and provide for consistency in how these issues are managed. We all have a responsibility for keeping children safe.

All registered schools are required to develop strategies to embed a culture of child safety at the school. At Kananook Primary we will:

- embed a culture of child safety at the school
- allocate roles and responsibilities to ensure child safe practices are adhered to
- inform the school community about the strategies being employed at the school

## **What is organisational culture and how does it relate to child safety?**

Embedding an organisational culture of child safety is critical to reducing the risk of child abuse in schools.

To successfully embed a culture of child safety, a commitment to **zero tolerance of child abuse** must be led by the school council. This commitment must be shared, openly and transparently, by all members of the school community, including staff (including school employees, contractors and volunteers), parents and families, visitors and child.

**All staff, volunteers and council members of Kananook Primary School are required to observe child safe principles and expectations for appropriate behaviour towards and in the company of children.**

**All personnel of Kananook Primary School are responsible for supporting the safety, participation, wellbeing and empowerment of children by:**

- encouraging children to 'have a say' and participate in all relevant organisational activities where possible, especially on issues that are important to them.

**Staff and volunteers must not:**

- develop any 'special' relationships with children that could be seen as favouritism (for example, the offering of gifts or special treatment for specific children)
- exhibit behaviours with children which may be construed as unnecessarily physical (for example inappropriate sitting on laps.
- put children at risk of abuse (for example, by locking doors)

- do things of a personal nature that a child can do for themselves, such as toileting or changing clothes

- ignore or disregard any suspected or disclosed child abuse.

By observing these standards you acknowledge your responsibility to immediately report any breach of this code to Kananook Primary School Principal Class team.
