

News From Kananook: Term 1, Week 7

Subscribers Name

Our website has been loaded up with important dates and information. We have some great Recent News articles posted and some reminders about excursions and fundraising.

Real School Curriculum Day

The best way to find out about the direction we are heading and the actions required to build a successful, productive, relational and high-performing culture in our school is to take 5 minutes to view this video clip. Adam is the man behind our recent Curriculum Day and has inspired our teachers in so many ways.

[A video explaining what being involved in the Real School Program is all about.](#)

Upcoming Excursions

Year 2/3/4 Children will be attending "Mr Stink" at the Melbourne Art Centre on Thursday 30th March

Year 5/6 children will be attending a Sport's Day along with other schools in our Network on Tuesday 28th March

[Notices can be found under the Parents Tab in our menu bar.](#)

SAVE THE DATE:

Friday 21st April For the District Field Events that will be held at Ballam Park. Trials were held last week and Mr Crouch is busy making selections for each of the age groups. Our Field Event team will be published shortly. Thankyou to all the teachers who helped run the trials.

PTF news

The Easter raffle tickets were sent home with the youngest child in each family on Wednesday 15th March. This is an annual fundraising event that needs your support. Please try to sell the tickets that were brought home and return the money to school as soon as possible.

EGG DONATIONS WANTED!

To help us raise as much as possible through the raffle we ask families to donate an Easter Egg to put into our hamper prizes. The more eggs donated the more hampers made, which equals more prizes to be won. Each child who donates an egg will go into a special draw to win another Easter prize. Your generosity is greatly appreciated.

[Visit our PTF tab to find out about our other Easter Fundraising Event.](#)

HOT CROSS BUNS FOR SALE

Please keep ordering the Hot Cross Buns as \$2.50 from each order goes directly to Kananook Primary School to help with our fundraising targets for 2017

Dogs Helping Kids Learn

This article was in the Herald Sun recently, outlining the benefits that dog's have within a school environment. At Kananook we are tuned into these benefits, as Merlin continues to be part of our Kananook community. Merlin is Mr Crouch's dog and is an 18 month old Australian Shepherd. Since he was a young pup he has been part of the furniture, so to speak, at Kananook. Mr Crouch continues to train him, and the girls and boys of Kananook have had a huge role in this. Each day brings something special to us when Merlin is here.

2/3R Lemonade Stand

2/3R have decided that they would like to raise money for a good cause. On Tuesday the 21st of March they will set up their lemonade stand and sell delicious drinks for 50 cents. As a group they have decided that all money raised will go to the Monash Children's Hospital.

Studies this term on respectful relationships, rights and responsibilities have led them down this path.

SCHOOL PRIDE

School Pride

Lily and Edward showed their school pride this week by giving Mrs Matthews some much needed assistance in the classroom. Our school appreciates these reliable and trustworthy helpers.

Jobs that they are helping with are:

- Assisting younger students with the computer skills
- Completing jobs for teachers, such as laminating, putting up displays, setting up sessions
- Cleaning playground areas
- Gardening and weeding
- Tidying and organising work areas within their classrooms

As the Kananook Promise says; We are proud of our school...
