

The Year 1/2 teachers have created a timetable of what is expected of children and teachers each day during remote learning. This will include Webex meetings which your teacher will inform you of ready for Week 2. Teachers will be available during the day via Seesaw, but please be mindful that teachers may not always be available straight away to answer questions. Please keep handwriting sheets in a safe place so they are available when students are required to do handwriting lessons. All passwords are the same as last semester and have been pasted inside your child's book for easy reference. As from round one of remote learning, Friday will be "Freedom Friday", where children can catch up on any work not finished, spend time together as a family, research something that interests them or catch up with their peers via preferred online platforms.

Kind Regards,

Year 1/2 Timetable

Day of the week	Curriculum Delivery				Teacher meetings
Monday	Check in/ Wushka Show and Tell.	SMART Spelling		Reading Maths	Staff Meeting Professional Development
Tuesday	Check in/ Wushka	Word Work	Writing Genre	Reading Maths	Year Level planning
