

Week 2 Monday 20th of April Term 2, 2020 3 - 4 S

Please note that specific times for each activity have not been given. This is to enable children to settle into the activities at times between 9:00 and 3:30 that best suit the family. We do suggest you give your children a routine that is consistent each day.

This may change moving forward as we move to some face to face time that will be scheduled.

Wednesday Schedule

For students in **Grades 3 to 6**, schools will provide learning programs allocated as follows:

- Literacy: 45-60 minutes
- Numeracy: 30-45 minutes
- Physical activities: 30 minutes
- Additional curriculum areas: 90 minutes

We will be providing you with detailed lessons in Reading, Writing and Math daily, which follow the learning requirements set by the Department of Education and Training. Other lessons will vary depending on the timetable. If you could aim to complete these lessons your child should still progress with their learning.

Teacher Availability

Online to assist

Teachers will be available to support you each day during school hours. Please understand that the response may not be immediate as staff may be recording a lesson, replying to another parent via email, providing feedback to a student etc. so the reply may not always be instantaneous but will be addressed when possible. Seesaw will be the main method of communication between parents, teachers and students.
