

Prep F

Week 2, Term 2, 2020
Friday 25th April

Please note that specific times for each activity have not been given. This is to enable children to settle into the activities at times between 9:00 and 3:30 that best suit the family. We suggest you give your children a routine that is consistent each day and where possible a consistent space that learning will take place. Currently we are not participating in any face to face time for students, however this may change in the future.

Welcome back Miss Erin Watson

Hello Prep F! It's Miss Watson, the student teacher from your classroom last term!

I'm not sure if you remember me, but I was in your classroom with Mrs Fimister helping you learn. I've placed a photo above in case you have forgotten my face!

This term I am lucky enough to be able to come back and help you all learn from home!

I'm really excited to help Mrs Fimister teach you and watch you learn lots of new things.

FRIDAY 24th April Schedule

THANK YOU

I would like to extend my heartfelt thanks to all the families who are continually providing their support to their children's education. The Prep families, honestly have the most involved job with remote learning, in the middle of this crisis. You are all doing a terrific job, I know it isn't always easy. I am sure there are days, like in my house, where there are tears and tantrums - and that's just from me. (Kidding - a little bit). They could not do this without you. I am in awe of your persistence and dedication despite the varied circumstances you all face at home. Keep up the good work in doing what works for your family and continuing to engage in positive aspects of your child's education.

For Prep families, the statement "We are all in this together" is most definitely true. Thank you.
Have a restful weekend.
