

Week 6, Term 2, 2020

1 / 2 M + 1 / 2 R

Please note that specific times for each activity have not been given. This is to enable children to settle into the activities at times between 9:00 and 3:30 that best suit the family. We do suggest you give your children a routine that is consistent each day.

This may change moving forward as we move to some face to face time that will be scheduled.

Thursday 20th Schedule

1. For students in **Prep to Grade 2**, schools will provide learning programs that include the following:
 - literacy activities that take a total of about 45-60 minutes
 - numeracy activities of about 30-45 minutes
 - additional learning areas, play-based learning and physical activity of about 30-45 minutes.
2. For students wishing to complete more than the learning program scheduled for the day, there are additional ideas at the end of this PDF and on the website

Teacher Availabilty Today

Contactable Hours

PLEASE CONTACT VIA SEESAW. IF YOU PREFER A PHONECALL PLEASE MAKE THAT REQUEST VIA SEESAW AND I WILL CONTACT YOU AS SOON AS POSSIBLE.

9:00am-2:30pm

Please note hours of availability will change daily due to the mentioned reasons.

Unavailable to assist

Teacher breaks, planning time and meetings are some of the reasons that teachers will be unable to get back to you in real time. Please don't worry if an activity hasn't been completed for any reason, we will work through that, we are all in a very unique circumstances and some things are unavoidable.

Show and Tell

We are learning to gain confidence in speaking in front of a group of people

- ❑ **Why this matters:** This matters because we need to be able to communicate with other people clearly.
- ❑ **What it looks like:** I will be able to record a 1 minute video of me explaining something clearly.
- ❑ **Activity:** If it is your day to present, record a 1 minute video of yourself showing and telling us about something that you have that you would like to share. Upload the video in your journal on Seesaw.

Daily 5 Reading

We are learning to summarise the main points in a text.

- ❑ Why this matters: because it helps us to find out what the main idea or point of the text is.
- ❑ What it looks like: I will be able to use a variety of strategies to find the main idea in a text.
- ❑ Activity: This activity is posted on Seesaw

LISTEN TO READING

I can listen to a variety of media to gain information. I can learn interesting words. I can use my strategies to understand what I hear.

- Stay put in 1 spot.
- Get started right away.
- Use our strategies
- Listening center books
- Use only the teacher approved websites.

Daily 5 Read to Self

We are learning to read accurately using good strategies to self correct.

- **Why this matters:** This matters because it is important to become an independent reader.
- **What it looks like:** I can make sense of what I read because I don't make many mistakes.
- **Activity:** Read a book from Wushka after you have checked in on Seesaw

Word Work

We are learning the sounds ar (Year 1) and adding es (year 2).

- ❑ **Why this matters:** This matters because we need to know when to use these sounds when spelling and reading new words.
- ❑ **What it looks like:** I know how to use these sounds in a number of different words and read words with these sounds.
- ❑ **Activity:** Check see saw for lessons this week.

Writing

We are learning to express ourselves in written form.

- ❑ **Why this matters:** This matters because when writing we need to choose the correct words and sentences to express ourselves
- ❑ **What it looks like:** I will be able to write a letter to my teacher explaining what I am looking forward to.
- ❑ **Activity:** Read your activity on Seesaw

Ms Russell's Numeracy

We are learning to Represent and solve simple subtraction problems using a range of strategies including counting on, partitioning and rearranging parts

- Why this matters: because we need to be able to identify how many are left when we subtract things.
- What it looks like: using materials such as blocks and counters, number lines to subtract a smaller number from a larger number.
- **Activity:** Check seesaw for your daily videos and activities.

Mrs Matthews Numeracy

We are learning to use mental strategies that we have been learning to answer equations as quickly as possible.

- ❑ **Why this matters:** Because it is important to be able to solve equations quickly.
- ❑ **What it looks like:** I can play mathematics live and answer questions quickly. combinations of coins and notes.
- ❑ **Activity:** Check seesaw for your daily videos and activities.

Physical Activity

Choose your favourite PE activity that you have done while completing your Home Learning and repeat it.

We encourage children aged 5-12 to get 60 minutes of Physical Activity (PA) every day. For more information click on the link below:

House competition

Miss Bull has given you more information
on Seesaw.

You will find it on Seesaw

The house captains have planned a special competition
for all the kids in the school

If you want your house to win then simply do the dance
and send it back to your teacher.

Bonus points will be given if someone in your family learns
the dance with you.

Seesaw has more details for you to follow.

Reflection

? At the end of each day do the following:

1. Make sure you have read to someone today so you can log it in your take home reading diary
