

# Prep F

Week 6, Term 2, 2020  
Thursday 21st, May

Please note that specific times for each activity have not been given. This is to enable children to settle into the activities at times between 9:00 and 3:30 that best suit the family. We suggest you give your children a routine that is consistent each day and where possible a consistent space that learning will take place. Currently we are not participating in any face to face time for students, however this may change in the future.
